Valves

Powder Application
Valves

Steriflow

Solutions that are designed to **improve processes**, production rates, and ultimately, the profitability of healthcare customers. A **complete product range, trusted** by multinational pharmaceutical companies.

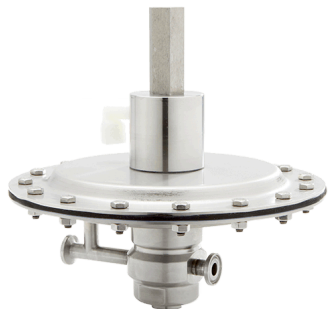

**Control
Valves**

**Pressure Regulating
Valves**

**Safety Relief
Valves**

**Low Pressure
Blanketing Regulators**

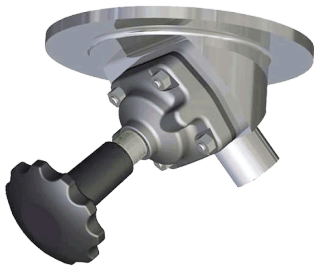

**Springless Check
Valves**

**Sample
Valves**

Built for you

Steriflow will custom design valves specifically for your process requirements. Unicert documentation included.

Tank Bottom
Diaphragm Valves

Custom Block Body
Diaphragm Valves

Multi-Path Diversion
Diaphragm Valves

Clean Steam Traps &
SIP accessories

Clean Gas
Distribution Manifolds

Pharma & High Purity Hoses

**Pharma USP
Class VI Hoses**

**Biotech Tubing &
Peristaltic Pump
Tubing**

**Teflon® Lined
Hoses**

**Electrical & Liquid
Jacketed Hoses**

**Anti-Static / Grounded
Hoses**

**High Quality Washdown
Hoses with Microban®**

**Single Use
Products**

Mixers & Agitators

**Clamp-on
Agitators**

**Vertical Shear
Mixers**

**Side, Top & Bottom
Entry Mixers**

**In-line Shear
Mixers**

**Static
Mixers**

**Powder
Mixing Systems**

TOP LINE
PROCESS EQUIPMENT COMPANY

Tri-Clover

**316L & Electropolished
BPE Tubes in Stock**

**316L & Electropolished
BPE Fittings in Stock**

**Behringer®
Clamps & Hangers**

**Jacketed Tubes &
Fittings**

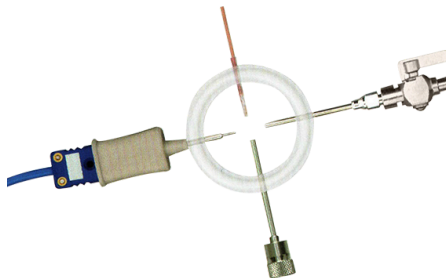

Clamps & Gaskets

Rubber Fab

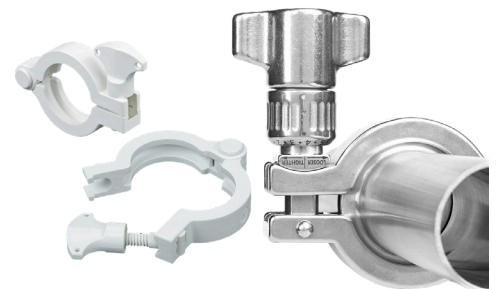

a Garlock Hygienic Technologies company

**Large Selection of
Gaskets USP Class VI,
X-Ray Metal Detectable,
Tuf-Steel, Bio-Pro...**

**Sampling Gaskets
& Accessories**

**Nylon Clamps
& Smart Clamps**

Tank, Tote & Pipe Cleaning

3A Certification available | Q-docs available
Large Selection & Expertise in pharmaceutical applications

Alfa Laval / Gamajet
Jet Machines 360°

Rotating
Spray Balls

Spray Ball Assembly for
Totes & Barrels

Product Recovery
Pigging Systems

Tote Blast Stations

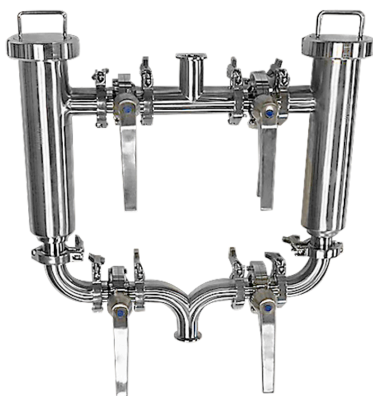

Filters & Strainers

Q-docs available
Passivation Available

Wedge Wire & Perforated Plate Filters

Duplex Filters

Jacketed Filters

**Basket & Membrane Type
Filters**

Heat Exchangers

Q-docs available

Alfa Laval Baseline® Alfa Laval Frontline®

Several Options

- 3A Finish
- PTFE, Nitrile, EPDM Gaskets
- Plates 316L, Titanium, Hastelloy
- Wide Gap
- Double Wall
- Evaporator/Condenser
- Semi Welded
- Welded

Alfa Laval Shell & Tube Pharmaline

**Steriflow
Sample Cooler**

**Alfa Laval
Pharma X®**

Alfa Laval Contherm®
Viscous Fluids

AIC JAD® Excellent for
Steam, Oil, Hot Water,
Thermal Fluid

Instruments

Q-docs available

Sight Glasses

Thermometers

**Flow Meters &
Non-Invasive Flow Sensors**

Manways

Pressure Gauges

**Temperature / Pressure
Transmitters**

Utilities

**Pressure Regulating
Valves**

Control Valves

**Temperature Regulator
Valves**

**Tank Blanketing
Valves**

**Needle
Valves**
