Industrial Valves

Whether for oil and gas, chemical processing, or water treatment, our valves offer precise control and unmatched reliability, meeting the highest industry standards. Trust in our expertise and experience to provide customized valve solutions, backed by unparalleled technical support and customer service, ensuring peace of mind for your operations.

Economical Series Ball Valves

Pneumatic & Electric Actuated Valves

High Pressure Valves

Teflon Lined Ball Valves

V-Port Control Valves

Butterfly Valves

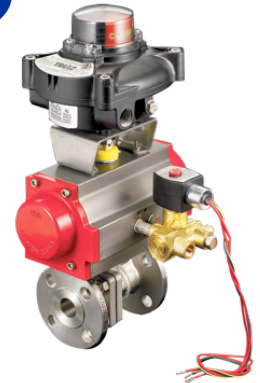

Industrial Valves

Wafer Check Valves

Gate & Globe Valves

FM Approved Assemblies

Trunnion Mounted Metal Seat Valves

Tank Bottom Ball Valves

Cryogenic Valves

Knife Gate Valves

Positioners, Actuators, Limit Switches & Solenoids

Rubber Expansion Joints

Large selection in stock from 1/2" to 24".
EPDM, Buna-N, Viton, Neoprene, Butyl, PTFE, Hypalon.
Arches: Open, Filled, Single, Double, Triple, Multiple
Flange Drillings: ANSI 150#, 300#, European DIN, BS, JIS, GB
Also available: CRN, NSF-61 Potable water, Food grade

**Single Open Arch,
Floating Flanges**

**Single Wide Open Arch,
Rubber Flanges &
Retaining Rings**

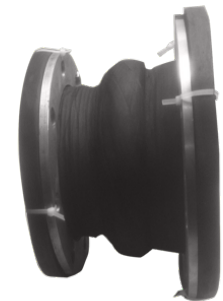

**Double Open Arch,
Floating Flanges**

FNPT Union ends

Control Rods

**Custom-Made
Expansion Joints**

Manholes

Large Selection & Stock from 8" to 25"

SS304 & SS316L, With and Without Pressure, Full Vacuum Available, Silicone, EPDM & Teflon Seals

Round Manhole Cover with Pressure

Round Manhole Cover without Pressure

Oval Manhole Cover with Pressure

Oval Shadowless Manhole Cover with Pressure

Rectangular Manhole Cover with Pressure 1 lock design

Rectangular Manhole Cover with Pressure 2 locks design

Round manhole cover with pressure with Sight Glass

Round manhole cover without pressure with Sight Glass

Pumps

Trust in our **proven track record** of delivering **cutting-edge technology** and **unparalleled support** for your pumping requirements, ensuring **uninterrupted operation** and **peace of mind**.

Stainless Steel Centrifugal Pumps

Plastic Diaphragm CIP & Chemical Pumps

PTFE/ HDPE Pumps

Tote Unloading Pumps

Drum & Barrel Pumps

Unloading Systems

Mixers & Agitators

Clamp-on Agitators

Vertical Shear Mixers

Side, Top & Bottom Entry Mixers

In-line Shear Mixers

Static Mixers

Powder Mixing Systems

Tote Mixers

Drum Mixers

Tank, Tote & Drum Cleaning

Trust in our expertise to provide tailored cleaning solutions and systems that effectively eliminate residue while minimizing downtime and optimizing water usage.

Alfa Laval / Gamajet
Jet Machines 360°

**Rotating
Spray Balls**

**Spray Ball Assembly for
Totes & Barrels**

**Product Recovery
Pigging Systems**

**Mobile
CIP Systems**

Tote Blast Stations

Hoses

Rubber Fab **VENAIR**

Wide Selection of Industrial hoses. EPDM, Silicone, Teflon Lined, Chlorobutyl, Nitrile, UHMWPE, PVC.
Hydraulically crimped hoses in house.
Each hose tested prior to shipping.

Clear PVC

High Quality WashDown Hoses With Microban®

Bacco

Chemical Service Hoses

Custom Connections

Anti-Static Hoses Powder & Liquid Applications

Metal Hoses Teflon Lined & More

Air, Water & Washdown Hoses

Hose Accessories

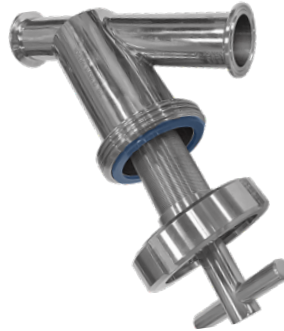

Filters & Strainers

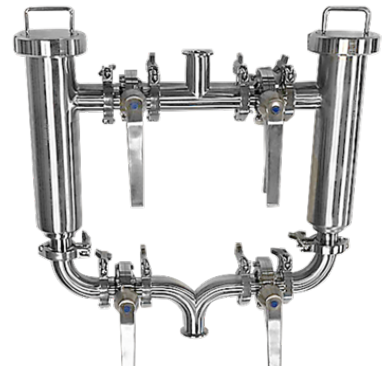

Stainless Steel Strainers

Pipeline Strainers

Wedge Wire & Perforate Plate & Screen

Dual Filters

Heat Exchangers

Brazed Plate Heat Exchangers
Compact, Good Price, Rapid Delivery

AIC JAD® Excellent for Steam, Oil, Hot Water, Thermal Fluid

Instruments

Sight Glasses

View Ports

Pressure Gauges

Thermometers

Aseptic Connectors

Flow Meters
